

## FLAT FEES FOR SELECTED IMMIGRATION SERVICES<sup>1</sup>

On the next page, you will find a list of just some of the immigration services that HENTERLAW PLC currently<sup>1</sup> offers its immigration clients on a fixed-fee or flat legal fee basis. Please keep in mind that these prices refer to legal fees and not costs. Typical costs that one can expect are government filing fees<sup>2</sup>, translator fees for documents that are not in English, and courier fees such as Federal Express or UPS.

At HenterLaw, we strive to keep our clients happy and provide access to legal services. We believe that offering this pricing choice to our clients helps us meet those goals.

Description of Service	Legal Fee <sup>1</sup>	Explanation
Consultation with attorney about immigration concerns or questions	\$180 per half hour	(if you retain the services of HenterLaw at the end of the consultation, this fee will be credited to most other immigration services offered for a fixed-fee or flat fee, in effect lowering the legal fee by the consultation amount)

<sup>1</sup> Legal fees are accurate as of June 1, 2025. The fees are subject to change until a client signs a written representation agreement with HenterLaw PLC.

<sup>2</sup> The government sets its filing fees and are therefore subject to change at any time. You can access the government's current list of some filing fees here, <https://www.uscis.gov/forms/all-forms> and here, <https://www.uscis.gov/sites/default/files/document/forms/g-1055.pdf>
